

Manufacturing and Engineering

Hawsons has a dedicated team of specialist manufacturing and engineering accountants in Sheffield, Doncaster and Northampton.

Our understanding of the issues faced by manufacturing and engineering businesses means that we can proactively seek out ways for you to maximise your profitability and minimise your tax liabilities. The manufacturing and engineering sector is a specialist sector, with unique practices and reliefs, and we act for a growing number of manufacturers, engineers and their suppliers in many matters specific to the sector.

Our manufacturing and engineering accountants fully understand the challenges facing businesses in the sector and, irrespective of your size, we wish to support you to maximise the benefits you could achieve through our specialist professional advice. In particular, we are able to assist our clients in adding value to their businesses, including advising on the financial and taxation aspects of capital investments, providing proactive R&D tax relief advice, preparing tailored exit strategies and succession plans and implementing procedures and policies to help prevent data breaches.

About Hawsons

Hawsons is one of the longest standing firms of independent chartered accountants in England and recently celebrated 160 years of providing expert advice to businesses of all types and sizes.

Hawsons Chartered Accountants was founded in Sheffield in 1854 – more than 25 years before the creation of the Institute of Chartered Accountants in England and Wales – by Alfred Allott and John Hewett. The firm has since grown to become one of the UK's leading independent accounting practices, with a team of nearly 100 people across three UK offices, in Sheffield, Northampton and Doncaster.
