

Property and Construction

Hawsons has a dedicated team of specialist property accountants in Sheffield, Doncaster and Northampton.

We act for a large number of property and construction firms across all three of our offices, including investors and developers, construction firms, estate agents, surveyors and architects. Having an accountant who understands the challenges of this dynamic sector, with unique practices and reliefs, and is able to help you plan for the future is an advantage in a competitive environment.

Our property and construction accountants have a great deal of experience in advising and helping businesses and individuals in this sector and we can assist you as you grow. As a firm, we not only provide dedicated accounting services, we also offer a range of specialist solutions. In particular, our in-house tax team have advised in many aspects of taxation specific to the property investor and developer including in the areas of VAT, construction industry scheme, capital allowances, income tax, corporation tax and capital taxes.

About Hawsons

Hawsons is one of the longest standing firms of independent chartered accountants in England and recently celebrated 160 years of providing expert advice to businesses of all types and sizes.

Hawsons Chartered Accountants was founded in Sheffield in 1854 – more than 25 years before the creation of the Institute of Chartered Accountants in England and Wales – by Alfred Allott and John Hewett. The firm has since grown to become one of the UK's leading independent accounting practices, with a team of nearly 100 people across three UK offices, in Sheffield, Northampton and Doncaster.

Free initial meeting
